

FAMILY MEDIATION SERVICES

THE BEST SOLUTION TO AVOID AN EXPENSIVE AND LENGTHY DIVORCE

Family mediation is a process that involves both parties, along with a neutral third person known as a mediator. The mediator, in this case Gail Markham, acts to encourage and facilitate a resolution of a dispute between two or more parties. Resolutions are reached through an informational and non-adversarial process, where the objective is to help the disputing parties come to a mutual and voluntary agreement.

Our mediation services provide assistance with:

- **P**arenting issues
- **E**quitable distribution of marital assets and liabilities
- **A**limony calculations
- **C**hild support calculations
- **E**verything unique to your family

With the family mediation services at MNMW, you not only have the support of our experienced mediation team, you can work out your differences privately in our professional offices in Fort Myers or Naples. Any agreement reached will be by mutual consent of the parties, and a signed written agreement may be filed and submitted to the court with the parties consent.

Gail Markham is a Family Mediator certified by the Supreme Court of Florida since 1994, and she is experienced in assisting parties in the following areas:
